Dr. James Proodian, DC, CCSP
Mr. Gordon Gacek, Director of Community Relations
Natural Healthcare Center
10 West End Court
Long Branch, NJ 07740

Dear Dr. Proodian and Mr. Gacek,

Thank you for your recent participation in Monmouth University's Annual Health Fair. Our goal was to increase health awareness and well-being for our Monmouth University community. Over 100 people came out for the health fair and many positive comments indicated that they greatly appreciated your presence and participation.

We look forward to your participation again in the future.

With gratitude,

Sincerely,

Susan Kohl Malone
