

Ahhhhh...Massage!

At Natural Healthcare Center, we take a personalized approach to your therapeutic massage. Our licensed massage therapists can blend several different clinical-based techniques to create a massage that is custom-tailored to your specific needs. All massages are performed in our private and soothing treatment rooms, providing a comfortable place for you to relax, heal, and rejuvenate.

**Take advantage of
discounted rates with
the NHC Massage Club!**

With the NHC Massage Club* you can enjoy a relaxing 60-minute massage once a month at the reduced rate of \$75 per massage -- a savings of more than 20% over the single session rate! And there's no long term commitment...you can cancel at any time after your third massage.

We also offer single session 60-minute massages for \$95 that are available anytime.
