Acupuncture

By inserting needles into specific anatomical points in nerves, muscles, and connective tissues, our licensed acupuncturists can direct blood flow to areas that need healing and help to restore balance across the body's interconnected systems.

Single Session: \$90 per visit

Package:

- 10 for \$900 and Get 2 Free (payable over 2 months)

Facial Acupuncture

Facial acupuncture is a non-invasive treatment that works from the inside out to treat a wide range of conditions in the face and neck and enhance the body's ability to age gracefully. 10 treatments are recommended for long-lasting results.

Single Session: \$200 (50 minutes) and \$350 (100 minutes)

Packages:

- 10 for \$1,600 (50 minutes each)
- 10 for \$2,800 (100 minutes each)

Changes or cancellations are requested 24 hours prior to scheduled appointment to avoid being charged. Acupuncture packages are non-transferable.
